

Cookies Policy

What are cookies?

Like most websites, the Cog Effects website uses cookies to collect information. Cookies are small data files which are placed on your computer or other devices (such as smart phones or tablets) as you browse this website. They are used to “remember” when your computer or device accesses our website. Cookies are used for the effective operation of our website and to help you shop with us online.

Information collected

Some cookies collect information about browsing and purchasing behaviour when you access this website via the same computer or device. This includes information about pages viewed, products purchased and your journey around a website. We do not use cookies to collect or record information on your name, address or other contact details. Cog Effects can use cookies to monitor your browsing and purchasing behaviour.

What are cookies used for?

The main purposes for which cookies are used are: -

1. For technical purposes essential to effective operation of our websites, particularly in relation to on-line transactions and site navigation.
2. To enable Cog Effects to track visitor statistics.
3. To allow you to share contact on social networks, eg. Twitter, Facebook.
4. Our hosting service, (www.yola.com) places a cookie to track visitor information across all Yola-hosted sites.

How do I disable cookies?

If you want to disable cookies you need to change your website browser settings to reject cookies. How you can do this will depend on the browser you use.

What happens if I disable cookies?

This depends on which cookies you disable, but in general the website may not operate properly if cookies are switched off.
